LISTA RANKINGOWA OCENY MERYTORYCZNEJ STARTUPÓW zgłaszających się w ramach naboru do Projektu STARTUP HUB: POLAND BOOSTER

Wstępna ocena startupów obejmuje analizę formalną i merytoryczną na podstawie Karty Oceny Wstępnej. Ocena formalna odbywa się na zasadzie 0/1 – niespełnienie kryteriów eliminuje pomysł z dalszego procesu. Wstępna ocena merytoryczna wymaga uzyskania min. 60% punktów. Akcelerator w 1 rundzie naboru stworzył listę rankingową. Startups, które uzyskały 10 punktów przeszły do kolejnego etapu, pozostałe trafiły na listę rezerwową.

EVALUATION OF STARTUPS applying for the STARTUP HUB Project: POLAND BOOSTER

The preliminary evaluation of startups includes a formal and substantive analysis based on the Preliminary Evaluation Scorecard. The formal evaluation is conducted on a 0/1 basis – failure to meet the criteria eliminates the idea from further consideration. The preliminary substantive evaluation requires achieving at least 60% of the total points. In the first round of recruitment, the accelerator created a ranking list. Startups that scored at least 10 points advanced to the next stage, while the others were placed on the reserve list.
